Influence Your World: Leading in the Spotlight

This highly interactive program guides you to build your influence and high-profile presence. You'll learn the three habits of influential leaders and discover how to apply them to your world, regardless of the conditions. As a result, even the most difficult people will trust your judgment, respect your opinions, and willingly commit to your strategies and ideas. Learn how to:

- **Connect** so that others are open to hearing your ideas.
- **Convey** even the most complex information simply.
- **Convince** others to trust your judgment.
- Send purposeful signals that align your intention with your impact
- Influence the narcissistic & passive-aggressive people in your life

Connie Dieken

Connie Dieken advises senior leaders who are in the spotlight. She helps them deliver important messages during high-pressure situations and influence positive outcomes, regardless of the conditions. Her high-profile clients lead some of the world's best-known brands such as Apple, HP, Nestlé, and The Cleveland Clinic.
