## FEATURED FACULTY

**AVAILABLE MONTHLY MEMBERSHIP SEMINAR**

### **Entrepreneurial Thinking® for Leaders: How to Create a Culture & Mindset to Compete in a Global Marketplace**

Entrepreneurial Thinking® helps owners, managers and leaders get back to the root of creative, productive, profitable organizations by tapping into the talent of their greatest resource – their people. This session will provide you with the tools and techniques to maximize the engagement of all your employees, develop a culture of “personal ownership” for results, tap into their creativity, ignite their curiosity as well as their ability to lead. But most importantly, you will learn to build a foundation where communication, collaboration and the ability to proactively seek solutions and *connect the dots* in the new world of work is the norm.

#### **Jodi Walker, CSP**

Jodi is an award winning speaker, author and consultant known for her high-energy presentations. Jodi was once described by a Los Angeles Times reporter as having “seemingly endless energy.” As the founder & Chief Creative Catalyst of Success Alliances, a training and development company, she brings more than 20 years of successful business experience to the platform. Jodi has worked with companies like Verizon, Ford Motor Company, Atlas Van Lines, Edwards Life Sciences, SHRM, ASAE and many others. She enjoys working with leaders who want to step out of their comfort zone and move beyond “business as usual.”
