Leadership Excellence: Developing Leaders to Deliver HOLY COW!® Results

Successful leaders know their value lies not only in leading and managing teams, but in creating cultures of excellence while fostering greater influence, engagement and performance. **LEADERSHIP EXCELLENCE** is designed to develop leaders to deliver exceptional, HOLY COW!® results. Unlock your leadership potential through this exciting, eye-opening journey with four powerful pillars, including: Leading with Purpose, Integrity and Strength; Creating a Culture of Commitment, Accountability and Candor; Inspiring Creativity and Innovation to Cultivate Change; Enhancing Performance and Leveraging Talent for the Future.

Tracy Butz, CSP

As a former Director of Learning & Development, Tracy Butz was accountable for talent management and employee development. She parlayed her career to become a coveted speaker on workplace culture and engagement, with a who's who list of clients both large and small. Tracy holds the designation of Certified Speaking Professional™ (CSP), earned by only 12% of speakers worldwide. She is also a prolific and accomplished author, supported by her bestselling book *HOLY COW!* Tracy understands client needs, delivers on her promises, and is your solution to develop your leadership talent.
