Friday, February 8, 2019

Pamela Jett, CSP

A Leader's Toolkit for Difficult and Disciplinary Conversations

Leaders of every level agree that one of their most difficult responsibilities is having disciplinary or difficult conversations. Communication and leadership expert Pamela Jett will help you navigate some of your stickiest situations!

Friday, May 3, 2019

Steve Hughes, CSP

Instant Access: Making Great & Lasting First Impressions

In today's 24/7 business climate, it's more important than ever to make a positive first impression on the people you meet. Steve Hughes will help you discover the simple yet overlooked things you can do to improve the way people perceive you!

Friday, August 2, 2019

Kristin Arnold, CSP

7 Tell-Tale Signs you are Leading an Extraordinary Meeting

How much participation and collaboration do you really have during your meetings, and how do you know that they are as productive as they can be? Join us as Kristin Arnold shares the tips you'll need to ensure that your meetings are not only good, but great!

Friday, October 25, 2019

Kevin O'Connor, CS

Defusing Demands, Disruption, and Dysfunction: The Skillset

How do you respond to an unexpected disruption—especially under pressure—when all eyes are on you? Do you fight, flee, or freeze? Kevin will help you muster the courage to try new skills in your next high-pressure situation.
